RE: SURPLUS PROPERTY
HISTORIC BUECHEL TRAIN DEPOT

This is an official notification to all Metro agencies that Public Works & Assets is in the process of requesting a resolution from the Metro Council designating certain real estate as surplus to Metro Government in accordance with KRS 67C 101 (3) (e).

If you are aware of Metro Government's need for this property, please respond with details no later than October 22, 2007. If an appropriate Metro Government need is not identified, a surplus resolution will be recommended to Metro Council and the property will be offered to the Buechel Historical and Preservation Alliance Support, in the amount of \$1.00.
